

***FOR IMMEDIATE RELEASE – RecordMax participates in Various Industry Conferences and Events.***

January 15<sup>th</sup>, 2008 – Baltimore, Maryland; Miami, Florida; Denver, Colorado

**The RecordMax Companies** were represented at a number of recent industry conferences or events as a part of its core commitment to active industry participation and continued education.

**ARMA International Conference and Exposition**

In Baltimore, Maryland last quarter, RecordMax attended the ARMA International Annual Conference and Exposition. Besides meeting with numerous professionals, customers and vendors, RecordMax representatives invested a lot their time in the due diligence process on confirming relationships with Cranel Imaging, Digitech Systems, Kodak and Fujitsu. For more information on ARMA international, visit this trade association for records managers and administrators at [www.arma.org](http://www.arma.org).

**BareMetalData Annual Conference and Exposition**

In Miami, Florida, RecordMax attended the BareMetalData conference and expo. BareMetalData focuses on educating industry professionals and service providers on industry best practices, technologies and networking relationships that will benefit end users of data protection services. RecordMax is expanding its service offerings and product distribution for back-up tape rotation services, environmentally sensitive media storage and confidential data protection. RecordMax representatives participated actively in the annual conference as well as an active educational list service sponsored by BareMetalData. For more info, visit them online at [www.baremetaldata.com](http://www.baremetaldata.com).

**Digitech Systems Annual Conference, 2008**

In Denver, Colorado this month, RecordMax attended an annual conference by new technology partner Digitech System. Digitech (who's basic focus is to help RecordMax deliver any document, anytime, anywhere) offers superior technology for imaging capture, document management, digital archiving and automated workflow solutions. The conference provided beneficial networking opportunities, seminars on a variety of subject matters and a review by senior managers and executives on 2008 new releases and strategic initiatives. For more information on our strategic electronic information partners, visit them online at [www.digitechsystems.com](http://www.digitechsystems.com).

***About RecordMax***

**RecordMax** is a proven leader in providing secure information storage and management services to law firms, hospitals, business professionals, government entities and other professional organizations. Our archival services range from the protection of business records, files, computer tapes and other sensitive media to digital storage of electronic documents, images, email and web content. Enjoy convenient and professional delivery and retrieval solutions...we treat every item we handle just like the largest of shipping companies; with barcode based tracking technology and portable receipt printing by the drivers that bring information assets right to your door.

The resources and experience of our management combined with hiring the best possible leaders for local customers assures confident, consistency and quality from people our customers have come to trust. With a growing number of locations around the Southeast, **RecordMax** stands ready to be a trusted part of your information management team.

You'll be glad you chose the people, the facilities and the business solutions at **RecordMax**.
