

FOR IMMEDIATE RELEASE – RecordMax adds talented new resources to our Business Development efforts

November 5th, 2007 – Jackson, Mississippi; Mobile, Alabama; New Orleans, Louisiana

The RecordMax Companies announced the addition of several talented individuals in various markets to help develop new business opportunities and present solutions to existing and potential customers.

In Jackson, we're excited to have Teresa Burgess as a new member of our team. Teresa has a background in Document Management and Fund Raising. She is a lifelong resident of the Jackson area and currently resides in Madison. Teresa brings complementary project management skills and will also play a role in the business develop efforts in imaging and digital archiving. Teresa can be reached by phone at 601-977-2525 or via email at tburgess@recordmax.com.

In Mobile, RecordMax is pleased to add Carter Mills. Carter comes to us from the Evangelical Presbyterian Church where he led growth and development efforts. He also has a background in managing projects in the construction business. With a degree in Business Management and currently pursuing an MBA, Carter brings experience conveying visions and objectives to a diverse public. He also held the rank of Captain in the United States Air Force Reserves. Carter can be reached by phone at 251-338-6653 or via email at cmills@recordmax.com.

In New Orleans, we feel fortunate to add Gary Cooper. A 30 year veteran of BellSouth Corporation, Gary has a background in customer support, field operations and support and business development. Born and raised in the area and currently a resident of Metairie, Gary is involved with numerous community events and coaches high school sports evenings and weekends. Gary can be reached by phone at 504-363-4110 or via email at gcooper@recordmax.com.

The business development group at RecordMax is focused on proactively and reactively helping businesses and organizations understand and implement the most effective methods for handling information assets in any format over the long term. Our communications are designed to respectfully share, educate and clarify the diverse & professionally delivered solutions available through the RecordMax companies. We work hard to learn more about the priorities, preferences and specific expectations of the current and future customers we serve, so we encourage you to share any ideas, any time to info@recordmax.com. Please count on our follow up.

About RecordMax

RecordMax is an emerging leader in providing secure information storage and management services to law firms, hospitals, business professionals, government entities and other professional organizations. Our archival services range from the protection of business records, files, computer tapes and other sensitive media to digital storage of electronic documents, images, email and web content. Enjoy convenient and professional delivery and retrieval solutions...we treat every item we handle just like the largest of shipping companies; with barcode based tracking technology and portable receipt printing by the drivers that bring information assets right to your door.

The resources and experience of our management combined with hiring the best possible leaders for local customers assures confident, consistency and quality from people our customers have come to trust. With a growing number of locations around the Southeast, **RecordMax** stands ready to be a trusted part of your information management team.

You'll be glad you chose the people, the facilities and the business solutions at **RecordMax**.
