

FOR IMMEDIATE RELEASE – RecordMax Chattanooga Grows its Local Family As Staff Build Families of Their Own

October 10th, 2008 – Chattanooga, Tennessee

The **RecordMax Companies** are pleased to announce an addition to our local team as well as congratulate team members that have recently gotten married or have marriages pending.

A New Representative in the Field

We are fortunate to have hired a new team member tasked with going out into the Greater Chattanooga marketplace to learn about customer needs and to present RecordMax solutions. Tim Duff Morrison joins the RecordMax Chattanooga team after working the last nine years in healthcare products and services. A former member of the University of Alabama football team whose father also played for the Tide, Tim (or Duff to friends) brings a comprehensive set of skills and talents to RecordMax along with plenty of energy and enthusiasm. His business experience includes management roles in customer service and inventory control, fleet management, communications, territory development and marketing. He replaces Joan Kile, our representative in Greater Chattanooga for the last year or so, who came out of retirement after a long career at ADP to join RecordMax in 2007. Joan has decided to invest more time traveling and spending quality time with her husband David...her last day will be on or about November 1st. We wish Joan the best of luck and hope you'll welcome Tim by calling him at (423) 643-3561, ext. 301 or by sending an email to tdmorrison@recordmax.com.

Weddings at RecordMax Chattanooga

Two of our local Chattanooga team members make the plunge to married life in 2008. A letter to all customers a number of months ago announced that Boyd Green, our Lead Driver and Operations Specialist, was married to wife Holly. Now Ian Fowler, our Facility Manager and Operations Specialist, was married on Saturday, October 18th, to fiancé and soon to be wife Amanda. Along with Branch Manager Shari Hixson, and Imaging and Operations Specialist Justin Battles, Boyd & Ian make up the key staff serving Chattanooga clients every day. If you haven't already done so, we hope you'll share our joy and your best wishes for Ian & Amanda Fowler and Boyd & Holly Greene and their families.

About The RecordMax Companies

RecordMax is a proven leader in providing secure information storage, retrieval, imaging, shredding & data protection services to law firms, hospitals, businesses, government entities or other professional organizations. Our archival services range from protecting business records, files, computer tapes and other sensitive media to offering digital storage of electronic documents, images, email & web content. Enjoy convenient, professional delivery and retrieval solutions...we treat every item we handle just like the largest of shipping companies; with barcode based tracking technology and portable receipt printing by the drivers that bring information assets right to your door. Convert paper documents to digital using our leveraged resources or buy the software and/or hardware you need direct from **RecordMax**. And enjoy safe and secure document shredding services at competitive prices.

The resources and experience of our management combined with hiring the best possible leaders for local customers assures confidence, consistency and quality from the people our customers have come to trust. With a growing number of locations around the Southeast, **RecordMax** stands ready to be a trusted part of your information management team.

You'll be glad you chose the people, the facilities and the business solutions at **RecordMax**.
