

FOR IMMEDIATE RELEASE – RecordMax New Orleans Announces Promotions and New Leadership

November 17th, 2008 – New Orleans, LA

The **RecordMax Companies** are pleased to announce several promotions based on both the exemplary efforts of these key team members as well as in response to the ongoing growth in the volume of services being provided in Greater New Orleans.

“We continue to see huge opportunities from businesses in New Orleans and surrounding Parishes, especially from within the legal community, and feel fortunate to have people on our team that continue to step up” offered RecordMax President Jim Teske.

New Man at the Helm

We are excited to announce the appointment of Mr. Gary Cooper as General Manager for RecordMax New Orleans. Gary is a lifelong resident of the New Orleans area with his own kids now in the local schools. After a full career with BellSouth Corporation (now AT&T), Gary has brought experience in route management, customer service, management, sales and field operations to RecordMax since joining the team over a year ago. Among his accomplishments to date are bringing many new and exciting customer relationships into the family; showing true leadership and communication skills; making RecordMax a real priority in his life; and maybe most importantly in assuring the highest possible quality of service at RecordMax. We hope you'll share our pleasure in having Gary at the helm in New Orleans and hope you'll openly communicate any needs, concerns or success stories with Gary by calling him at (504) 363-4110 or emailing via gcooper@recordmax.com.

New Leadership in Customer Service

We also feel fortunate to have Kristin Bauer heading up the customer service efforts in New Orleans. Kristin joined RecordMax earlier this year with complimentary experience in management, customer service, accounting, human resources, route management and business systems (quite a resume and skill set). She has taken to our internal operating systems at RecordMax and has provided leadership in internal auditing, service and quality improvement programs, in custom report generation for customers and in project management. Kristin can be reached at our general local phone number of (504) 363-4110 or via email at kbauer@recordmax.com.
