

FOR IMMEDIATE RELEASE – RecordMax Manager Elected to Local Chapter Board of ARMA International

June 2nd, 2009 – Chattanooga, TN

RecordMax Chattanooga is pleased to announce that Shari Hixson, Branch Manager, has been elected to the Board of the Chattanooga Chapter of ARMA International; the Association for Records Managers and Administrators.

“Shari is such a class act and already volunteers a lot time outside the office in seemingly so many activities” offered Jim Teske, the company’s President. “Her commitment, enthusiasm and broad breadth of talents is such a blessing to our customers. I’ve attended a number of ARMA meetings now in Chattanooga...this is an incredibly active chapter and I think Shari truly brings some complimentary skills to the local group and to its leadership” Teske added.

Shari joined RecordMax over two years ago and has brought energy and leadership to the Chattanooga operation. She has a long background in logistics, warehousing & customer service. Outside of the office Shari also offers a number of event planning and catering services many evenings and weekends as well as volunteers with a number of organizations and her local church. Shari joined the Chattanooga Chapter of ARMA International in 2007. She can be reached at shixson@recordmax.com or (423) 643-3561.

ARMA International is a not-for-profit professional association and the authority on managing records and information – paper and electronic. The association was established in 1955. Its approximately 11,000 members include records managers, archivists, corporate librarians, imaging specialists, legal professionals, IT managers, consultants, and educators, all of whom work in a wide variety of industries, including government, legal, healthcare, financial services, and petroleum in the United States, Canada, and 30-plus other countries. ARMA publishes Information Management (IM) magazine, the only professional journal specifically for those who manage records and information on a daily basis. The association also develops and publishes standards and guidelines related to records management. It was a key contributor to the international records management standard, ISO-15489.
