

***FOR IMMEDIATE RELEASE – RecordMax Principal Elected to Seat on the Board of Directors for Industry Trade Association***

**November 2<sup>nd</sup>, 2009 – Jackson, MS**

*The RecordMax Companies* are very pleased to announce that Jim Teske, President of RecordMax USA, has been elected to the Board of Directors of PRISM International. The election, conducted over a several week period concluding November 1<sup>st</sup>, was for an opening for the At-Large Board Seat. Voting was open to any duly authorized member among hundreds of companies from countries around the globe. Jim received the news in a phone call from Past President Neil Goldman.

"I'm very excited about the opportunity to serve on the PRISM board" offered Teske. "My competitor in the voting was Ken Hopkins of National Records Centers. He's such a class act and is widely respected among the PRISM membership so I expect it was a really close race. I've got to admit that I really wanted to win but also figured that PRISM members would hopefully win no matter which one of us came out on top. There's a board meeting next month in Park City, Utah so I imagine I'll be getting an education shortly on how I can best represent *RecordMax* and our peers in the records management services industry."

Jim Booth, PRISM's Executive Director stated "Jim Teske is one of the most engaged volunteers in PRISM International. He serves on multiple task groups, has been one of our most frequent speakers, serves as a mentor for other members and goes out of his way to promote and strengthen PRISM International around the world. I am looking forward his further participation as a member of the Board of Directors and the energy and ideas he is sure to bring."

***About PRISM International***

PRISM International (Professional Records and Information Services Management) is the recognized trade association for the commercial information management industry worldwide. The industry is made up of outsourcing partners that provide their clients with physical and digital information protection, access, retention, storage and disposal. Since its founding in 1980, PRISM International has expanded to include members in more than 60 countries. For more information, visit PRISM online at [www.prisminternational.org](http://www.prisminternational.org) or call 800-336-9793.
