

FOR IMMEDIATE RELEASE – RecordMax Jackson Adds New Team Members to Customer Service and Imaging Teams

January 1st, 2010 – Jackson, MS

The **RecordMax Companies** are pleased to welcome and are fortunate to add several new team members to the family in our Jackson, MS location.

RecordMax Jackson recently added Ms. Ginger Wooley to the team during the last quarter of 2009. Ginger joins the Customer Service department with a focus on providing imaging and scan-on-demand solutions as well as handling customer service requests. Ginger comes to us after a long career at Trustmark Bank (a key customer and RecordMax business banking partner) where she managed the Mortgage Vault/Imaging department. In her spare time, Ginger is a watercolor artist and enjoys spending time with her three grandchildren or her two Jack Russell Terriers. Ginger can be reached at the customer service phone number of (601) 977-2525 or via email at gingerw@recordmax.com. If you haven't already spoken to Ginger, we hope you'll welcome her to the team next time you call or submit a request.

In late December, **RecordMax Jackson** also added Ms. Kristy Griffin to the team. Kristy similarly joins the Customer Service Department with a primary focus on handling or processing customer service requests from both incoming phone calls as well as orders placed over the web. She joins RecordMax after recent stints with the City of Jackson Deputy City Clerk's office as well as in a position in Customer Service with Regions Bank. And in her spare time, Kristy is pursuing a Business Marketing degree from Mississippi College. Kristy can be reached at the customer service phone number of (601) 977-2525 or via email at kristi@recordmax.com. If you haven't already spoken to Kristy, we hope you'll welcome her to the team next time you call or submit a request.

"We're very particular about anyone we add to the RecordMax family of employees" offered Ted Lloyd, Executive Vice President and an owner of the **RecordMax Jackson** location. "We received over 130 resumes during our recruiting efforts late last year and feel so very fortunate to have found such talented new team members. Applicants go thru a four step process including phone interviews, face to face interviews, a second round of interviews for finalists and then background testing and drug screening...so we ultimately know we've done our home in selecting the cream of the crop" added Lloyd.

About The RecordMax Companies

RecordMax is a proven leader in providing secure information storage, retrieval, imaging, shredding & data protection services to law firms, hospitals, businesses, government entities or other professional organizations. Our archival services range from protecting business records, files, computer tapes and other sensitive media to offering digital storage of electronic documents, images, email & web content. Enjoy convenient, professional delivery and retrieval solutions...we treat every item we handle just like the largest of shipping companies; with barcode based tracking technology and portable receipt printing by the drivers that bring information assets right to your door. Convert paper documents to digital using our leveraged resources or buy the software and/or hardware you need direct from **RecordMax**. And enjoy safe and secure document shredding services at competitive prices.

The resources and experience of our management team combined with hiring the best possible leaders for local customers assures confidence, consistency and quality from the people our customers have come to trust. With a growing number of locations around the Southeast, **RecordMax** stands ready to be a trusted part of your information management team.

You'll be glad you chose the people, the facilities and the business solutions at **RecordMax**.
