

FOR IMMEDIATE RELEASE – RecordMax Offers FREE Educational Information on a Host of Current Topics

June 15th, 2011 – Chattanooga, TN; Jackson, MS; Mobile, AL; New Orleans, LA

At **RecordMax**, we take our commitment to our customers and the marketplace very seriously. Based on wanting to be far more than just a vendor, our focus is to offer a number of free resource documents to anyone interested in learning more about information storage and management. Some of our most current offerings include:

1) GETTING ACCESS TO STIMULUS FUNDS

For more information on the definitions of “meaningful use” of electronic health record systems and the incentives offered to healthcare providers for systems that meet the meaningful use standard (including references and links to the actual government websites), request our FREE educational resource by emailing us at info@recordmax.com. Please confirm in the body of your email that you'd like this 10 pages documents sent to you via email as soon as possible.

2) LEARN MORE ABOUT THE FUNDAMENTALS OF DOCUMENT IMAGING?

Send an email to imagingroadmap@recordmax.com and we'll send a free copy of this booklet to you or the person best suited within your organization to put these ideas into action. Please include the physical address where you want this mailed as the RecordMax Document Imaging Roadmap comes as a handy pocket size reference guide with guidelines, tips and industry terms/definitions.

3) WHAT ARE LAW FIRMS & LAWYERS DOING TODAY IN RECORDS MANAGEMENT?

RecordMax has created the Legal Administrator Interview series and has received a tremendous response to the first announcement about these interviews (as offered directly to members of the legal community. For your FREE copy of an ongoing series of interviews, email us at legalinterviews@recordmax.com.

4) STARTING UP YOUR OWN INTERNAL DOCUMENT SCANNING PROGRAM

We've created a simple several page document that helps people identify several options for starting up an internal document scanning program. To get your FREE copy, send us an email at info@recordmax.com and confirm in the body of your email that you'd like the three page Getting Started in Document Imaging document and we'll get this out to you right away.

About The RecordMax Companies

RecordMax is a proven leader in providing secure information storage, retrieval, imaging, shredding & data protection services to law firms, hospitals, businesses, government entities or other professional organizations. Our archival services range from protecting business records, files, computer tapes and other sensitive media to offering digital storage of electronic documents, images, email & web content. Enjoy convenient, professional delivery and retrieval solutions...we treat every item we handle just like the largest of shipping companies; with barcode based tracking technology and portable receipt printing by the drivers that bring information assets right to your door. Convert paper documents to digital using our leveraged resources or buy the software and/or hardware you need direct from RecordMax. And enjoy safe and secure document shredding services at competitive prices.

The resources and experience of our management team combined with hiring the best possible leaders for local customers assures confidence, consistency and quality from the people our customers have come to trust. With a growing number of locations around the Southeast, RecordMax stands ready to be a trusted part of your information management team.

You'll be glad you chose the people, the facilities and the business solutions at **RecordMax**.
