

***FOR IMMEDIATE RELEASE – RecordMax Mobile Shares Information Management Strategies to South Alabama Business Professionals***

August 24<sup>th</sup>, 2007 – Mobile, Alabama

**RecordMax Mobile, LLC** confirmed its participation yesterday at the Business Expo 2007 held August 23<sup>rd</sup> at the Mobile Convention Center.

“Of all the things we do to market our services, tradeshow are certainly one of the most fun for me personally” shared Jim Teske, President of **RecordMax**. “I’ve worked for years with Gloria Hayes (that runs the Mobile business) and more recently with a few of our Mobile customers. However we’ve just recently acquired many of these relationships when we bought the assets of local operators **SpaceSavers Document Storage** and **District Archives**. Something like this business expo presented a valuable opportunity to meet a number of our customers face to face.”

Also representing **RecordMax** at the Business Expo was local team member Chase Harrison; the face of business development efforts in South Alabama. Interest in several new services (as well as simply reviewing our traditional information storage offering) made for a truly successful outing. And the hours for the Expo, from 11:00am to 7:00pm, presented a wonderful chance to go over solutions in detail as numerous customers, prospects and complimentary service providers stopped by as it best fit within their schedule. Looking forward to 2008.
